## SNIPPETS

Well, that's all the space I have left following the great list of achieving students.

**NAPLAN:** We are all surviving it; teachers are doing it well supported by Mr Lynn. Just remind them it is a one off activity, do your best and don't stress.

**MOTHERS DAY:** We are so lucky with our P & C and parent helpers. Around ten mums spent a whole day and part of another to ensure hundreds of children would have a neat gift for Mothers Day.

**SHOES:** Thank you to all those families who have heeded Mr Rob's request that children need proper "runners" at school for Phys Ed and to be safe at school....not those flippy floppy things.

## VERY NEAT ART WORK

Thank you to Kobi McGougan of Year 3 for letting me have a piece of his fabulous art to take to Canberra. Next week two Principals from each state are going to Canberra to remind and lobby politicians regarding funding for public schools through the Gonski Report. Kobi's artwork is being specially framed to be presented as a reminder that improved funding is all about kid's learning and developing.

## TRIPLE P SPECIAL OFFER – PRE PRIMARY LIMITED PLACES AVAILABLE

Our school is very lucky to have a parenting support program provided on our site by our School Nurse, Sue Hart. There are still a few places available for families who have Pre Primary students. The program consists of four sessions of two hours each from 1pm to 3pm and includes a crèche facility for your little kids. This is a great opportunity and members of the P & C Association who have done the Triple P course tell me that it is sensible practical advice for any parent. Commences 29 May for 4 weeks, Tuesday afternoons 1-3pm in the Multi Purpose room. Please call 1300 550 879 to register.

## National Simultaneous Storytelling

Next Wednesday, 23 May, Kindy to Year 3 students will again be participating in the storytelling along with 1000s of other children across the country. As the story this year is about a bear, I am asking the students in the grades involved to bring a teddy or a toy bear along to the storytelling if they have one.

Thank you. Miss Deb Johnson, Library.

## SCHOOL PHOTO DAY – WEDNESDAY 6 AND THURSDAY 7 JUNE

Your school photo day is coming. Approximately two weeks prior to the photo day every student will receive an envelope for his or her photo order and payment. Parents are asked to select the photographs they require and **return the envelope to the school on the photo day with payment included**. Every student must return their own envelope with their order clearly marked, even where payment is made in one envelope for multiple siblings. See your envelope for more information. Any child who forgets or is unable to bring their envelope on the photo day will have a second chance to order school photos from a proof sheet which will be delivered with the school photo orders, however additional charges will apply.

Kapture offer a money back guarantee for any parent who is not fully satisfied with their photo package. Should you have any queries before or after photo day, please direct them to the Kapture office on 92401714 or email [enquiries@kapture.com.au](mailto:enquiries@kapture.com.au)

**Please note:** Due to the large number of students at our school, a sibling photo service will not be offered.

*All students will be photographed individually on photo day for school administration records as well as included in the class group photo available for purchase to all families.*

## UNIFORM SHOP IMPORTANT NEWS - ORDER EARLY FOR PHOTO DAYS

If your child/children need white polo shirts for photo days, please order as soon as possible so as not to miss out. (Dark green polo shirts for Kindy and Pre photos, a white polo shirt for Years One to Seven photos).

**Zip Jackets** are now in stock and back orders will be delivered on Wednesday.

## SPORTING BOOTS WANTED

If there are any unwanted sporting boots (AFL, soccer, hockey) in need of a new home, the school would gladly recycle them for you. Sizes 6 up only. All donations to Mr Rob.

## SCHOOL BANKING

Congratulations to the following students who have been consistent bankers in the school banking program. They have collected ten tokens and each earned themselves a reward.

**Tara Maddern – Handball; Sarah-Jayne Kelly – Handball;**

**Rajveer Singh – Drink Bottle and Alyssa-Skye Rickman – Money Box.**

**Alyssa** also achieved her Bronze Certificate for banking ten times last term.
