NITS BLITZ

Yes, it's that time again to give those pesky critters a turnover!

On Friday our Nit Mums from the P & C Association will be visiting classrooms to help us break the current cycle of nits in our school. They will also try and cover the Kindy this week, but as we are such a big school, they may run out of time and energy, so would cover Kindy at the end of next week.

We do the Blitz on a Friday so that if a child's hair needs attention, families have the whole weekend to give it the once over. This Blitz will only be effective, if all those who are notified of eggs or nits do treat their children's and family member's hair over the weekend.

We can beat these nits if we all give it our best shot.

ROOM 11 ATTENDANCE LEVELS ROCK!

We have just completed a review of attendance for all classes over this half of the year and things are looking better with Room 11, Miss Beneke's Year Two's having clearly the best attendance record in the school. Well done!

AUSTRALIAN CURRICULUM

Today our teachers are meeting after school for a professional learning session on the new History Syllabus.

One of our staff members has been requested to be a trainer to instruct teachers in our region about the new Maths Syllabus. Mrs Wright will be conducting a four day program for colleagues in the region in the coming term.

In the area of English, the teacher planning sheets developed by Mrs Ritchie are now ready for use and are being used by a number of other schools.

In Science, we are well placed with the build up of Science Resource Kits for staff to use with their classes, through the efforts of Mrs Birrell and her Science team.

We hope to provide additional training for Year Seven teachers as upper primary science will become a little more complex in the coming years.

WE HAVE A LOT OF DRIPS!

With the sudden burst of rain, we have discovered 10 locations in our school where the rain drips through the roof. Considering the roof is only 10 years old, we are a bit disappointed. Never fear, with some inside knowledge about roofs from a dad, Christine Downey has been on to the maintenance people to ensure we get some action to stop the drips.

Edd Black, Principal

P & C ASSOCIATION PARKING BAY RAFFLE

Get Active Sports Canning Vale

Aussie Rules for Juniors – Get your child introduced to the fun and excitement of football through their Aussie Rules. Suitable for 3 to 8 years trying the sport for the first time who will learn basic skills from experienced coaches. The sessions are held indoors so are not affected by the weather and the 3 and 4 year olds each require a parent helper every week. No uniform or special equipment is required for the programs. Places are limited so register early to avoid disappointment.

Held at Canning Vale College Gym, Dumbarton Road (enter off Fraser Road) Canning Vale starting Saturday 28 July, cost is \$70.00 for 6 weekly sessions and a football to keep.

Email rego@getactivesports.com.au or phone 1300 772 106 or fax 1300 672 823.

Registration forms also at school office.
