## THE NEW TERM

Today we have attached the Term Planner for the information that families may find helpful.

This term we have included a number of teacher activities. We have done this to indicate to parents where teachers are definitely tied up after school in whole staff meetings and Curriculum workshops.

## STAFF NEWS

We welcome a new member of our cleaning staff, Ms Melissa Arrowsmith. We also welcome back Ms Sarah White returning from maternity leave to work in tandem with Mrs Tam Kelly in Room 5. Ms Keryn Sturrock will be taking Room 10 for some weeks while Mrs Judy Tarnowky is on leave.

## NO, WE DON'T HAVE A RABBIT PLAGUE!

If you have walked around the school during the past few days, you may have thought we have had an invasion of rabbits digging burrows!

No we don't have rabbits, we have plumbers improving the full drainage system of the school.

We will have at least another week of digging and turning Mr Hudson's lawn into sandpits, but at the end of this, the drainage will be even better than when the school was new.

## KINDY PLAY EQUIPMENT

Our latest major project for Kindy is now complete with an extended set of climbing gear and very smart synthetic soft fall underneath. This has been made possible with the support of P & C Association funding as our school budget alone could not have produced such a quality result. (Sadly the rabbits have been also been playing in the Kindy area so the grass will need a bit more time to recover).

## LAPATHON

That great annual event where families in the community come together on our school oval will occur on Thursday 9 August for pre primary and primary students and mini Lapathons for Kindy on the 7 and 8 August. Sponsor Forms will be out soon.

## MORE STUFF ON PARKING AND SAFETY

We still have some situations which are basically caused by a small minority of people who are either double parking or blocking resident's driveways. Please stick by the rules for parking and safety.

### **Perfect Petz Competition**

Don't forget about the competition being run to raise money for the RSPCA. Bring your favourite pet photo to Erika and Sophie in the undercover area on Monday, Wednesday and Friday at lunchtime. Great prizes to be won. For all those people without pets or wishing to support the RSPCA, you can purchase a \$2.00 raffle ticket to win a Digital Photo Frame that was kindly donated by City Farmers, Canning Vale Store. Get in fast. The class with the most entries wins a morning tea donated by the Angus family.

The closing date is 8 August, so be quick!
