A NEW YEAR!

We look forward to the 800th student enrolling in our school, who should walk through the door during this term. Got a nice box of chocolates for that family.

Being at that size provides our school with scope to offer broad programs, have a team with a wide range of skills and is a healthy size for grants and funding. Speaking of funding, thank you to all the families that have paid their "school fees" – Voluntary Contributions. That money directly supports your children's classes.

It works out to a \$1.00 a week, but makes a clear difference in resources for children.

Please support your child's education by paying these fees to enhance classroom activities.

BIRD

You would have received the BIRD Information sheet by now
Class Teachers will start to gear up for BIRD Reading from today, depending on student age and class planning.

Don't forget your child will need a diary and they are on sale in the office at a bargain price of \$4.00.

SAME OLD, SAME OLD.

Every year we remind everyone about safety.....

- No dogs at school – even on a lead.
- Park only where you should.
- DO NOT use the Canteen Car Park or Staff Car Park.
- Please Do Not use the Kiss & Drive area by Kindy, as a parking spot.
- Please don't park on people's verges or in their driveways.
- Remind children if you ride a bike, you wear a helmet.
- Students report directly to the Covered Assembly Areas before school until 8.35am.
- Please ensure that all of your contact details are up to date.

NEW CURRICULUM

You will hear in the media about the new Australian Curriculum. We are already getting ready.

Science is well on the way with a Science expert running a training session during our Pre-Primary days and having a member of the Science Teachers Association Executive on our staff.

Maths is moving forward and we are a Teacher Development School for Maths this year, providing ideas to other schools.

English is kicking off with a development project with Year Three Teachers, a Kindy to Year Two English outline being developed and implemented.

History is developing with two Level Three (senior teachers) planning a roll out of information and ideas for colleagues to use in their classroom.

KINDY 3 UNIT

Today we moved the furniture into the added Kindy Unit on our site. The final works on the building will be completed by Monday of next week. Then we hope to enhance the play area during this year.

SWIMMING

All Swimming forms must be returned by Friday 10th February.
The last day for payment to attend swimming is Wednesday 15th February. Take advantage of Swimming Lessons – send them however old they are for their safety and social development.

EDD BLACK
Principal
