HARMONY DAY

Today is a special day in our community as it is a day to remember that Australia is based on a multi-cultural society where we acknowledge and celebrate our diverse backgrounds that make Australia a special place.

ANZAC DAY

We are displaying a Memorial Wall for this year's Anzac Day Ceremony. If you have a family member or "Ancestor" in your family who was a member of the services during war time, then you may wish to include their name on our memorial wall which will acknowledge those who served their country during conflicts.

The person may have served in the Australian, New Zealand or other countries' services.

Please complete the brick at the bottom of the next page and return it to the school office.

YEAR SEVEN CAMP

We thank our dedicated staff for leaving their families to run a fantastic Year Seven Camp over three days of last week.

While we are at it, we congratulate the students on their behaviour, co-operation and great participation in all the camp events, from snorkeling to the traditional camp concert.

CAMP 2014

In the year that both Year Six's and Year Seven's leave us to go to High School, we have a sneaky plan for camp.

From Monday to Wednesday lunch time, Year Six's would have camp at Point Peron and from Wednesday afternoon the Year Seven's will arrive for their camp until Friday afternoon.

I told you we had a plan..... Thank you to Mr Blair for co-ordinating the solution.

FRIDAY SCHOOL ASSEMBLY

This Friday's assembly is a bit special! We have guest presenters from Southern River College performing a musical item and we will be announcing the Head Boy and Head Girl for 2012.

EASTER INFORMATION

Due to popular demand, based on a previous activity, we are holding the tried and true 'Easter Bonnet Parade' during the last week of term.

Next week students will begin to plan and make their Easter Bonnets for the Easter Bonnet Parade in Week 10. In order to make these, children will need to bring in an empty cereal box and several smaller boxes. Also, they can bring in things to decorate the bonnet if they wish. All materials need to be brought to school by Monday 26th March for the students to begin making the bonnet.

Please do not make the bonnet at home as it is an activity that they need to complete at school.

Thank you for your co-operation.
